EDUCATION

B.Tech in ECE	2023-2027	Netaji Subhas University of Technology (NSUT)	7.2/10
Class XII	2020-2021	Sarvodaya Co-ed Vidyalaya	71.67%
Class X	2018-2019	Sarvodaya Co-ed Vidyalaya	81%

EXPERIENCE

Freelance Full Stack Developer — Ganpati Aluminium & Glass June 2026

- Developed and deployed a responsive business website using React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Vercel, and Render.
- Built REST APIs and integrated customer inquiry functionality with a responsive user interface.
- Collaborated directly with the client to gather requirements and deliver a production-ready solution.

PROJECTS

Imagify - AI Image Generation SaaS Platform (React.js, Node.js, Express.js, MongoDB, JWT, Razorpay) [Live Demo](#) | [Github](#)

- Integrated ClipDrop AI API to generate images from natural language prompts with real-time rendering.
- Implemented JWT-based authentication and authorization for secure user registration, login, and protected routes.
- Built a credit-based payment system using Razorpay, enabling users to purchase and consume credits for image generation.
- Designed and deployed a responsive production-ready application using Vercel (Frontend) and Render (Backend).

Full-Stack Hotel Booking App (MongoDB, Express.js, React.js, Node.js, JWT) [Github](#)

- Built a full-stack hotel booking platform enabling users to search, explore, and reserve hotel rooms through a responsive interface.
- Developed secure REST APIs and implemented JWT authentication for user management and booking operations.
- Designed booking workflows including room availability checks, reservation management, and hotel administration features.
- Implemented search filters, booking calendar functionality, and responsive UI components to improve user experience.
- Structured backend services and database models for scalable hotel, user, and booking management.

ACADEMIC ACHIEVEMENTS AND AWARDS

- Received an offer for the Platform Engineer Internship at AlgoUniversity (Joining: December 2026).
- Solved 550+ DSA questions on coding platforms: [LeetCode](#), [CodeChef](#), [GeeksforGeeks](#), [CodingNinja](#), [Unstop](#).
- Successfully completed the Dynamic Programming Camp by AlgoUniversity under Codeforces Master Manas Kumar Verma.
- Completed Ethical Hacking, Conservative Geography, and Design Thinking certifications on NPTEL.

POSITIONS OF RESPONSIBILITY

- Educator, Pragati.IP Institute: Conducted engaging lessons in Science and Mathematics.

TECHNICAL SKILLS

Programming Languages: C/C++, JavaScript

Web Development: React.js, Node.js, MongoDB, SQL, HTML5, CSS3

Developer Tools: Git, GitHub, VS Code

Computer Subjects: AIML, CN, OOPs, DBMS, OS
